We will endeavour to allow all to compete XC, even if eliminated Show Jumping, however combinations deemed unsafe / unsuitable may be prevented . We will endeavor to set the severity of the XC courses at a level that is introductory to the BE guidelines, so riders will be able to use these as a "first time" assessment. Where possible we will have some faster routes, and those fences with alternatives will be set so that the fast route is "full severity" for the level of course, but the alternative route is slower, but not as challenging. Elimination If you have 3 refusals you may carry on, missing that one fence. Any more stops on course, or you are caught up, you MUST stop & walk home
