HORSE & HOUND FESTIVAL OF EVENTING AT KEYSOE 2019

We are delighted to be coming back to Keysoe again in 2019 to bring you the *Horse & Hound* Festival of Eventing.

This event is ideal for riders who are looking to enjoy a great stay away show experience with their horse, while having the chance to be crowned a *Horse & Hound* champion and win some fantastic prizes.

The nightly entertainment will be back in 2019, as will the rider briefing on Friday night plus the opportunity to attend cross-country course-walks with a trainer on the Saturday.

Horse & Hound journalists will be on site for the duration of the event, interviewing riders throughout and reporting extensively for both *Horse & Hound* magazine and www.horseandhound.co.uk.

EVENT FORMAT

The event format will run similarly to a CCI long format affiliated event and as such there will be no roads and tracks. There will be no initial vet's inspection at this event, but there will be a vet check (trot-up) on the final day in the morning ahead of the showjumping.

STABLES

Since last year's event an additional 100 permanent stables have been built at Keysoe and it is therefore anticipated that all horses will be stabled in a permanent stable in 2019. Stables are included for all within the entry fee. They will be supplied empty. You are welcome to bring your own bedding; alternatively shavings will be available to purchase on site. Stables will be allocated by the event organiser, Keysoe. Stables are to be left empty at the end of the event.

RIDER NUMBERS

On arrival please report to the organiser's office where your stable number and rider number will be allocated to you. Rider numbers will be paper numbers to put in your own bib. If you do not have a bib these can be borrowed from the venue for a refundable fee of £10 on return.

Please ensure you always wear your rider number when mounted.

FRIDAY

Please arrive between 2pm and 6pm. If you plan to arrive outside of these times please contact Keysoe in advance on TEL: 01234 708400/1, EMAIL: info@keysoe.com. There will be a chance for arena familiarisation on the Friday times for this will be advised when starting times are published. Welcome drinks will take place in the evening and there will be a rider briefing at this time, which you are encouraged to attend.

SATURDAY

The dressage phase will consist of long arena tests, performed in the international outdoor arena. Warm-up will be in the indoor arena. During the day on Saturday you will also have the chance to walk your cross-country course. We plan to have guided course-walks running throughout the day. In the evening we invite you to our hog roast on the terrace.

SUNDAY

As in 2018 we plan to take part of the cross-country course at every level through the main arena to help provide better spectator viewing and give a unique feel to this event. The courses will be solid and suitable for combinations established at the level. Times for the horse inspection and showjumping will be posted at the organiser's office Sunday evening. Sunday evening you are invited to join us for a post cross-country drink on the terrace.

MONDAY

A horse inspection will commence on Monday morning for all horses ahead of showjumping. For those who were unable to complete the cross-country due to elimination or retirement there will be a consolation round of jumping at the level you entered available before the main class of showjumping. All horses taking part in these rounds must still pass the horse inspection. The showjumping phase will run in reverse order of merit, courses will be designed by a British Showjumping course-builder and will be built to height.

PRIZES

A selection of prizes and rosettes will be awarded to the top 10 in each class. The mounted prize-giving will commence after each showjumping phase ends. Double clear rosettes will also be awarded after class results are announced. We invite the top three riders to visit our on site media hub to be photographed and interviewed by *Horse & Hound* reporters for both our magazine and website.
